

WestRock Foundation

PROPOSAL SUBMISSION GUIDELINES

Corporate citizenship and caring about our communities is part of WestRock's core values of integrity, respect, accountability and excellence. The Foundation helps shape positive change by supporting WestRock's strong commitment to United Way, employee volunteer engagement along with other organizations, programs and projects in areas of special interest.

Required information

- Background information about your organization's mission, goals, programs, impact and geographic reach
- Annual budget and details related to the request
- Documentation of your organization's status as a tax-exempt public charity or public institution/entity

Limitations

While we are proud to help make a difference, each year we receive far more requests than we are able to fund. As a result, typically we do not support:

- advertising
- conferences and meetings
- endowment Campaigns
- film, radio, television and video productions
- fraternal organizations and related events
- fundraising events (dinners, golf tournaments, etc.)
- scholarships, academic fellowships or research
- sports teams and events or student teams, trips or competitions

Also, by law, the Foundation cannot make contributions that result in a direct, tangible benefit to WestRock or WestRock employees.

First Step

We value your time. Before you invest energy and time in creating a formal proposal, consider sending a letter of introduction/inquiry first.
