Re: Cultural Resources Survey of the Omni Commerce Park
Berkeley County, South Carolina
SHPO Project No. 12-JS0006

Dear Mr. Green:

Our office has received the documentation dated January 12 that you submitted as due diligence for the project referenced above. This letter is for preliminary, informational purposes only and does not constitute consultation or agency coordination with our Office as defined in 36 CFR 800: "Protection of Historic Properties" or by any state regulatory process. The recommendation stated below could change once the responsible federal and/or state agency initiates consultation with our office.

The report meets the guidelines set forth in the *South Carolina Standards and Guidelines*. The survey identified one new archaeological site, 38BK2410. Our office believes that the site does not meet the criteria for listing in the National Register of Historic Properties. If the Omni Commerce Park were to require state permits or federal permits, licenses, funds, loans, grants, or assistance for development, we would recommend to the federal or state agency or agencies that no additional cultural resource investigations are necessary.

The State Historic Preservation Office will provide comments regarding historic and archaeological resources and effects to them once the federal or state agency initiates consultation. Project Review Forms and additional guidance regarding our office's role in the compliance process and historic preservation can be found on our website at: <http://shpo.sc.gov/programs/revcomp>.

SHPO requires one (1) digital copy in ADOBE Acrobat PDF format on CD. SCIAA requires two (2) bound and one (1) unbound hard copies on acid-free paper and a digital copy in PDF format. Please send all copies directly to SHPO. SHPO will distribute the appropriate copies to SCIAA.

If you have any questions, please contact me at (803) 896-6181 or at jbarnes@scdah.state.sc.us.

Sincerely,
