

# BOS<sup>®</sup>-2 & BOS<sup>®</sup>-2 Remote

Continue to clean, cover and coat for extended amounts of time, all with a single touch of the trigger. The BOS®-2 features an ergonomic design and battery-operated actuation that significantly reduces finger and hand fatigue. Ready to use right off of the shelf, the BOS-2 works wonders for large-scale industrial applications that require wider coverage.

### Technical features & benefits:

- Battery operated (top load)
- Single-touch, continuous spray
- Wide coverage for large-scale applications
- Ergonomic design and automatic operation reduce hand fatigue
- Ready to use
- Bent dip tube available on BOS-2

### Applications:

- Home
- Garden
- Auto
- Professional
