

Mini-Trigger Curve & Mini-Trigger Petite

The Mini-Trigger Curve and Mini-Trigger Petite are easy-to-use, ergonomically designed trigger sprayers that let your brand stand out. Both are powered by a pre-compression engine that delivers exceptional spray performance for lighter home and garden applications. An integrated button lock ensures the product's safety from shipping to shelf and into your consumers' hands. The versatile swivel head allows you to spray in tight spaces and tough-to-reach places, while the sprayer's reduced footprint increases efficiency on the line and during distribution.

Technical features & benefits:

- Enhanced, differentiated shelf presence
- Integrated button lock
- Ergonomic, easy-to-use design
- Suitable for medium- to high-viscosity gels and creams
- Petite design for optimized fill-line and retail distribution
