

SD<sup>®</sup>50

Looking for a precision output dispenser that gives you great aesthetics as well as desirable functionality? Part of the SD family of products, the SD50 offers low output dispensing, making this dispenser ideal for hand and body lotions, facial cleansers and hair care. Featuring our patented Pure Path™ technology, the SD50 is available in both standard and classic style heads with a lock-up actuator for shipping. Find the best of both worlds with SD50.
