

Sonnet® & Sonata®

Pump up performance

Sonnet® and Sonata® bring consumers the essentials they're seeking: outstanding performance and modern design. Ideal for dispensing a variety of skincare and hair styling products, these larger cosmetic pumps are equipped with a standard lock-up actuator for on-the-go convenience.

Smooth. Streamlined. Classic.

Sonnet® and Sonata® give customers the outstanding performance and sophisticated design they seek

- Comfortable force-to-actuate offers controlled feel during use
- Hygienic, wipe-away head design for a cleaner experience
- Lock-up actuator easily relocks for on-the-go convenience, eliminating need for overcap
- Large closure sizes and output
- Able to handle highly viscous formulas
- Pure Path™ offers metal-free fluid path for better product protection
- Head, closure and overcap available for customization
- Family look available with Aria® and Prelude® for brand consistency
