

Crescendo® C1S

paperboard

Packaging uses

- Beauty & Personal Care
- Food Packaging
- Healthcare
- Media & Electronics
- Spirits

Crescendo is a high quality, 100% virgin fibre, coated bleached paperboard (SBS) with superior performance and superior aesthetics. Unsurpassed in its reputation for outstanding runnability, printability, and consistency on press and through converting. Add in high brightness, clean-white styling, and a smooth surface and Crescendo becomes the preferred choice for any graphical or packaging application where quality matters.

Benefits

Outstanding ink holdout, sheet cleanliness and consistency mean graphical or packaging jobs that optimise productivity and exceed customer expectations.

A distinctive clean-white styling delivers crisper colours and sharper contrast while maintaining optimal colour fidelity on press to produce eye catching graphics that demand attention. Uncoated backside styling matches the coated side for consistent visual appeal.

Crescendo's smooth surface delivers a visual aesthetic that denotes high quality. Full double-coating on the front, complemented by a super smooth uncoated side for a quality image front to back.

Unique fibre mix and finishing process result in high stiffness for a finished piece that feels as good as it looks.

Colourfast dyes provide fade resistance for shelf life and colour integrity.

ISO 9001:2008

SFI Standards for Land Management and Wood Procurement (PEFC Endorsed)

SFI Chain of Custody Certified: BV-SFICOC-US08000163
PEFC Chain of Custody Certification

USFDA 21 CFR §176.170 - Contact with Aqueous & Fatty Foods (with restriction). Excluding aqueous and moist foods due to optical brightener content.

USFDA 21 CFR §176.180 - Components of Paper and Paperboard in contact with Dry Food (without restriction)

ISEGA Certificate of Conformity - BfR XXXVI (dry and fatty foods only) and EU Regulation (EC) No 1935/2004

Acceptable for use with Kosher Foods

U.S. California Proposition 65 Compliant

CONEG Model Heavy Metal and EC/94/62 Article 11 Compliant

ASTM F 963-95 Toy Safety, EN 71-3 European Toy Safety Compliant

Elemental Chlorine Free (ECF) Bleached Fibre

Solid Bleached Sulphate , SBS Paperboard, GZ
