

WestRock

Crescendo® C1S

If you're searching for visual impact,
look no further.

Designed to meet the demanding needs of premium brands, WestRock Crescendo® C1S paperboard features high brightness, clean white styling and a smooth surface. All of which are hallmarks of exceptional visual impact. But this premium paperboard's appeal goes much deeper. Crescendo C1S owns a reputation for outstanding runnability, printability, and on-press consistency through converting.

Region

EMEA (Europe, the Middle East and Africa)

Packaging uses

Beauty and Personal Care
Premium Food Packaging
Healthcare
Media and Electronics
Other Premium Packaging
Spirits

Product Classification

Solid Bleached Sulfate
SBS Paperboard
GZ

What You Can Expect from Us

Clean, White Styling

This distinctive clean-white shade delivers crisp colours and sharp contrast while maintaining optimal colour fidelity on press.

Smooth Surface

Crescendo's smooth surface delivers a visual aesthetic that denotes high quality.

Quality Tactile Feel

A unique fibre mix and finishing process results in high stiffness. So, you can expect a finished package that feels as good as it looks.

Superior Runnability

You can expect outstanding product uniformity and consistent graphics. Both of which help you optimise productivity and reduce waste.

Fade Resistance

Paper shade is achieved using bleached fibre and colour-fast dyes to provide improved colour integrity and extended packaging shelf life.

Caliper Range

Broad caliper offerings for use across a wide range of printing and packaging applications.

Additional Product Information

Sustainability

Recyclable.

Fibre Procurement

SFI® 2015-2019 Certified Sourcing NSF-SFI-CS-6S751

Chain of Custody

SFI® NSF-SFICOC-6S751 Certification
PEFC™ NSF-PEFCCOC-6S751 Certification

Food Contact

Meets multiple national requirements for food contact packaging, e.g., US, Canada, Germany and the EU. Contact your sales representative for information on specific markets and end uses.
ISEGA Certificate available.
Kosher documentation available.

Quality

Produced at an ISO 9001 certified facility.

Environmental and Safety

Notices under US California Proposition 65 and the EU REACH regulation are not required.
Elemental chlorine free (ECF) bleached fibre.
Meets heavy metal limits of the US Model Toxics in Packaging rules and Article 11 of EU Directive 94/62/EC.
