

WestRock

PolarShield™ Shrimp Base

Big-time protection from a single sheet.

Can you get high performance in frozen food applications from visually appealing, white, two-sided paperboard? Sure you can. Meet WestRock PolarShield™ Shrimp Base. You can expect exceptional strength and durability even when packages are subjected to extremely wet conditions. PolarShield Shrimp Base is the ideal solution for brands looking to replace wax-corrugated packaging in lighter-weight applications where a two-sided white container is desirable. Even though shrimp is in the name, this paperboard provides a reliable solution for applications including seafood, beef and pork.

Region

EMEA (Europe, the Middle East and Africa)

Packaging uses

Frozen and Refrigerated Seafood

Bulk Packed Frozen Meats and Poultry

Wax-Corrugated Package Alternative

Product Classification

Polymer-Coated

Coated Natural Kraft®

CNK® Paperboard

Coated Unbleached Kraft

What You Can Expect from Us

Moisture Resistance Delivers outstanding moisture resistance and wet durability, ideal for frozen and refrigerated seafood packaging and other tough applications.

Single Sheet Compared to competitive products that utilize two boards laminated together, PolarShield Shrimp Base boasts a 7% to 10% converting yield advantage.

White Front and Back A white-pigmented poly coating on the unbleached side offers two pure, white surfaces to enhance product appearance.

Recycled Fibre Content Produced with up to 15% recycled fibre.

Additional Product Information

Sustainability Made with recycled fibre.

Fibre Procurement SFI® 2015-2019 Certified Sourcing NSF-SFI-CS-6S751

Chain of Custody SFI® NSF-SFICOC-6S751 Certification
PEFC™ NSF-PEFCCOC-6S751 Certification

Food Contact Meets multiple national requirements for food contact packaging, e.g., US, Canada, Germany and the EU. Contact your sales representative for information on specific markets and end uses.
ISEGA Certificate available.

Quality Produced at an ISO 9001 certified facility.

Environmental and Safety Notices under US California Proposition 65 and the EU REACH regulation are not required.

Meets heavy metal limits of the US Model Toxics in Packaging rules and Article 11 of EU Directive 94/62/EC.
