Applications

Separators

## Product Classification

Uncoated Recycled  
Paperboard

URB Paperboard

## What You Can Expect from Us

- Recycled Fiber Content** Made from 100% recycled fiber, which has been diverted from the waste stream.
- Natural Look** Clean surface ideal for providing a natural look.
- Consistency** Excellent roll-to-roll consistency.
- Bending Quality** Widely compatible with folding carton applications where bending is required.

## Additional Product Information

- Sustainability** Made with 100% recycled fiber and is recyclable. All WestRock North American paperboard mills are certified to the SFI®, PEFC™, FSC™ Chain of Custody Standards. Contact your WestRock sales representative for certified fiber availability for this product.
- Food Contact** Meets multiple national requirements for food contact packaging, e.g., US and Canada. Contact your sales representative for information on specific markets and end uses.
- Environmental and Safety** Notices under US California Proposition 65 and the EU REACH regulation are not required. Meets heavy metal limits of the US Model Toxics in Packaging rules and Article 11 of EU Directive 94/62/EC.
