Dear Valued Customer:

California's Transparency in Supply Chains Act, *Cal. Civ. Code § 1714.43*, is designed to address and mitigate the risks of human trafficking and slavery in the supply chains for certain retail sellers and manufacturers doing business in the state of California.

WestRock supports the spirit of this legislation and takes this opportunity to certify to all of its customers and clients that it is in full compliance with the Act. WestRock certifies that all product supplied is in compliance with the laws regarding slavery and human trafficking in the countries in which we do business. We intend to continue to evaluate the risks in our supply chain in an effort to uphold our commitment to work only with suppliers that support our high standards.

We appreciate your business and we wish you a prosperous year.
