Environment: Suppliers shall meet or exceed all environmental standards required by applicable laws, codes and regulations.

Conflict Minerals: Suppliers shall disclose if they are providing to WestRock any "3TG" metals (tin, tantalum, tungsten or gold) that were sourced from the Democratic Republic of the Congo, Angola, Burundi, Central African Republic, Congo Republic, Rwanda, South Sudan, Tanzania, Uganda, or Zambia.

Workplace Safety and Health: Suppliers shall keep the work environment free from recognized hazards and assure compliance with all applicable laws regarding working conditions, including worker health and safety, sanitation, fire safety, risk protection and electrical, mechanical and structural safety.

Security: WestRock strongly encourages its Suppliers to implement security controls to secure their international supply chain to comply with antiterrorism laws in the countries and regions of the world in which they operate and transact business. WestRock has specifically partnered with U.S. Customs and Border Protection (CBP) to secure WestRock international supply chain and so requires all Suppliers of U.S.-bound products to demonstrate that they are meeting Customs-Trade Partnership Against Terrorism (C-TPAT) security criteria, as published by CBP.

Business Practices: Suppliers shall not engage in bribery, kickbacks, collusive bidding, price fixing or other unfair trade practices.

Demonstration of Compliance: Supplier must be able to demonstrate compliance with these Principles at the request and to the satisfaction of WestRock. These minimum requirements are part of all agreements between WestRock and applicable Suppliers. We expect our Suppliers to develop and implement appropriate internal business processes to ensure compliance with these Principles. WestRock routinely utilizes independent third parties to assess Suppliers' compliance with these Principles. These assessments generally include confidential interviews with on-site workers. If a Supplier fails to uphold any aspect of the Principles, the Supplier is expected to implement corrective actions. WestRock reserves the right to terminate an agreement with any Supplier that cannot demonstrate that it is upholding the Principles.

Notice of Violations: Any worker with any knowledge of violation of these Principles should contact WestRock at: www.WestRock.com/suppliers/compliance
